

QUICK LIST-MEP CENTERS

MANUFACTURING EXTENSION PARTNERSHIP

The National Institute of Standards and Technology's Hollings Manufacturing Extension Partnership (MEP) works with U.S. manufacturers to help them create and retain jobs, increase profits, and save time and money. As a nationwide network, MEP centers are located in every state and provide a variety of services, from innovation strategies to process improvements to green manufacturing. The MEP network serves as trusted business advisors, focused on solving manufacturers' challenges and identifying opportunities for growth.
