

TRI-JET MANUFACTURING SECURES AND MAINTAINS ISO 9001:2015 CERTIFICATION WITH MEP SUPPORT, DRIVING CUSTOMER SUCCESS

ABOUT TRIJET PRECISION MANUFACTURING SERVICES. Tri-Jet Manufacturing Services LLC, based in Palmer, Alaska, offers advanced CNC machining, water-jet cutting, and engineering services. With ISO 9001:2015 certification, the company serves a range of industries, providing precision fabrication solutions. Tri-Jet is HUBZone certified and currently has 11 employees.

THE CHALLENGE. Trijet Manufacturing faced the challenge of obtaining and maintaining ISO 9001:2015 certification, which was essential for retaining key customers and pursuing new business opportunities. They needed support in navigating the complex certification process, including employee training on ISO standards and sourcing a reliable auditing company.

MEP CENTER'S ROLE. The Alaska MEP provided Trijet Manufacturing with comprehensive support, including connecting them with a reputable ISO 9001 training provider, financial assistance, and sourcing an accredited auditing company. This ensured Trijet successfully obtained and maintained their ISO 9001:2015 certification, helping them meet customer requirements and pursue new business opportunities

"Tri-Jet Manufacturing Services has been working with the MEP for the past 3 years to obtain and maintain our ISO 9001:2015 certification. The MEP did the hard work of obtaining a reputable company to produce and educate our employees on ISO standards, along with providing financial support. The MEP also sourced an ISO 9001 auditing company. In 2022 Tri-Jet became ISO certified and continued to keep our certification every year with the help of the MEP. Our certificate has helped us maintain our existing customers who require this certification and go after new customers. Thank you, MEP, for all your hard work."

-Danielle Johnson, General Manager

RESULTS

\$2,350 in new investment

Saved \$250 by utilizing Alaska MEP services through a third party contractor

Gained 2 new sales by being ISO certified
